

Science Safety Rules

1. Know the class emergency plan.
2. Follow the teacher's written and oral instructions carefully. Ask questions if you do not understand what to do.
3. Do not taste, eat, drink, or smell anything used in science activities unless the teacher tells you to do so.
4. Keep your hands away from your face, eyes, and mouth during science activities. Wash your hands for at least 20 seconds after science activities.
5. **Always** wear goggles when chemicals, glass, or heat are being used and when there is a risk of eye injury from flying objects.
6. Tell the teacher if you see something/someone being unsafe.
7. Notify the teacher immediately if you have an accident or an injury, even if the injury is small.

Contract

I have reviewed these safety rules with my teacher and my parent/guardian. I agree to follow these rules and any additional instructions, written or verbal, given by the school and/or teacher.
